

II. AMENDMENTS TO THE DRAWINGS:

FIG. 7 (drawing page 7/13) has been amended to correct scanning errors.

FIG. 8 (drawing page 8/13) has been amended to correct scanning errors.

III. REMARKS

Applicants does not acquiesce in the correctness of the rejections and reserve the right to present specific arguments regarding any rejected claims not specifically addressed. Further, Applicants reserve the right to pursue the full scope of the subject matter of the original claims in a subsequent patent application that claims priority to the instant application. Reconsideration in view of the following remarks is respectfully requested.

In the Notice to File Corrected Application Papers dated April 5, 2007, the drawings were alleged to be defective due to fax transmission or scanning error the split the figures, creating white bars down the middle of the pages and pushing the Fig. labels off the pages. Applicants respectfully respond that fully compliant, formal drawings (i.e., without fax transmission or scanning errors) are herewith provided. Accordingly, Applicants submit that the drawings for the application are currently fully compliant and request issuance of the application.

IV. CONCLUSION

In light of the above, Applicants respectfully submit that all claims are in condition for allowance. Should the Examiner require anything further to place the application in better condition for allowance, the Examiner is invited to contact Applicants' undersigned representative at the number listed below.

Respectfully submitted,

Hunter E. Webb
